# COMMODORES CORNER Mike Jacobs

The new committee welcomes all members to come and enjoy your facilities at KYC this coming season which is virtually upon us and I believe that it will be a bumper season as people are still unable to travel abroad freely, So good old SA is the best option.

Down here at KYC we are getting ready for the onslaught and have instituted a few new ideas for the Members to enjoy.

Our Wednesday night 'Happy Hour' dingy dash has already attracted interest with 3 lucky draw prizes up for grabs and a choice of 3 Pizzas for the bargain price of R55 ea to be consumed on the deck. Young and Old come down and have some competitive fun. The Dining room will be open for meals and it is essential to book.

Sunday afternoons 'Music on the Deck'. We are offering a Pizza **OR** Braai pack, with a draft beer **OR** wine, red/white/cool drink for only R100. Come down and enjoy.

Also watch the updated news reports from Nicky about Xmas Dinner taking pace over two days to observe number restriction and the New Year's party which will also be a ticket only event.

Please book early for these two events

All COVID protocols are in place and we respectfully ask all who attend the Club to please complete the register, take your temperature and sanitize. New tables have been built for both Asches and the Main deck with new chairs. Socialising on the decks in the open air is also conducive to a safer environment.

**BE SAFE OUT THERE AND COME DOWN TO KYC AND ENJOY.**

Wishing you all the best for the Xmas Season and have a fantastic New Year from the Committee and Staff
