A little bit about Minx

A violinist with a modern mischievous and energetic performance.
Minx delights in mixing the different styles, her vast impressive repertoire includes light classics jazz pop rock reggae etc.

This bright soul plays happy music. Her image and style of music is perfectly suited to 5-star Hotel Restaurants, Corporate Functions, Birthday Parties and other Occasions.

Minx studied piano from the age 4 and violin from the age 7 and has not stopped learning and exploring the world of music.

Minx studied music with Eva Yescova as a teacher and went to the University of Pretoria to do her studies.

She has been invited to play in many different bands, each one having a different style which has increased the depth of her music.

She has spent several years doing social work in squatter camps using her music as a healing tool for the traumatized victims and made a difference to many.

Minx has performed at some high-profile venues individually and with other artists, including diplomatic functions in England, Holland and Australia.

Guests have seen her at Cabana Beach and Maharani Hotels in Durban, Cathedral Peak and Drakensberg Gardens, Sun City Super Bowl various Holiday Inns, various casinos and mainly Monte Casino for 5 yrs performing several times weekly before electing to leave the city.
