

## **KNYSNA YACHT CLUB**

*(Established 1910)*

### **Newsletter June 2018**

#### **Commodores Corner – Allan Waterston**

Winter has arrived and the cold crisp mornings will be with us for a couple of months, but these are off-set by glorious days, some filled with sun shine and others much needed rain. Either way we continue to live in a special place and have the privilege of belonging to one of the finest Yacht Clubs in the country.

June brings us to another annual milestone, the Annual General Meeting to be held on 21 June, and the election of a new committee to guide the club and provide support to management and staff. A number of members have offered their services as committee members and we are indeed fortunate to have volunteers prepared to give up their time for the benefit of the club and the membership at large. As has been very evident in our country, leadership with a vision for all, is crucial to success and prosperity, there is no place for personal agendas if we are to progress.

Notice of meeting has been sent out and we look forward to welcoming you on 21 June. After the meeting, up holding tradition, soup and rolls will be available. A proxy form was included with the notice should you not be able to attend the meeting but would like your vote to be counted. Please follow the instructions for completion on the form and let the secretary have this.

A new menu has been introduced in the Restaurant. Discounted pricing is now available in the bar and restaurant to all members, paying by way of their club membership card and prefunded club account.

Having made the decision not to stand again, and as my last contribution to the newsletter, I would like to express my thanks and appreciation to all members who have supported the club over the past year, be it drinking in the pub, dining in the restaurant and or supporting sailing and canoe events, this support makes our club what it is today.

#### **Offshore Sailing**

A most welcome, if not surprising was the return of the sailor who started it all.

Roger Clancy arrived for Saturday breakfast three weeks ago, to the delight of all off shore sailors and a few rookie candidates. Good times are here again!

It was auspicious, that with the departure of " Cameron " owned and sailed by Gerhard and Karina initially bound for Richards Bay and then on to Madagascar and Seychelles, we remember them starting their sailing career with Roger and breakfast some years ago.

We wish them fair winds and look forward to updates on their adventures.

Some months ago, our former sailing secretary Glen and Cecile left for the east to collect their new yacht "Nautilus" and had great times sailing to Seychelles. Just to prove that the sailing game is not all wine and roses we have to report that by a terrible stroke of bad luck "Nautilus" was blown onto a shallow coral reef. The good part being that Glen and Cecile were safe and the yacht has since been re floated. The extent of the damage has not been received but wish that all will be minor and "Nautilus" will soon be back sailing the seas.

Terance is back after a delivery trip with John Young on a fancy catamaran to the Caribbean. By all accounts this is how to go sailing like a gentleman- no excitement at all and apparently very little site seeing.

Otherwise at home sailing has not been particularly good due to lack of wind and an iffy outer bar preventing sailing offshore. It was good to see a few regulars out doing their stuff together with "Quan Yen" on the water for the first time in ages.

To qualify for the “member price” which effectively awards a 10% discount on all menu items it will be necessary for the member to have deposited funds into their spending account facility and use their membership cards for payment as they would if using a debit card at the till.

For the past month all Bar pricing has had the benefit of an automatic 10% discount which will now fall away effective tomorrow Friday 1st June and to qualify for this ongoing privilege in respect of Bar pricing the same will apply as detailed above.
